

SCHEDULE FOR STAKEHOLDER INPUT ON PROPOSED MRP ISSUES

MEETING GOALS:

The purpose of holding these meetings is to allow an opportunity for stakeholders to create a forum that will allow stakeholders to dialogue with Central Valley Water Board staff about aspects of the Proposed MRP that have not been addressed through the Technical Issues Committee

MEETING OBJECTIVES:

1. Hold an initial meeting to establish the list of topics that are of concern to stakeholders with respect to the Proposed MRP
2. Hold follow-up meetings (at least one, but no more than three) to allow stakeholders to present ideas for options regarding the topics established at the first meeting.
